Orienteering is a recreational and competitive sport for people of all ages. It involves finding your way through unknown terrain with a map and compass. Using a detailed topographic map as your primary tool and a compass to stay oriented, you try to select and follow the best route between specified points.

For more information on Orienteering in eastern Pennsylvania, southern New Jersey and Delaware, and for copies of this and other orienteering maps, or a schedule of events in the area contact:
 Delaware Valley Orienteering Association, 14 Lake Drive, Spring City, PA 19475.
